Fabick Power Systems, Inc  
101 Fabick Drive  
Fenton, MO 63026

Dear Tom,

Trail Ride for Hope was a great. I wish you could have seen line of riders leaving out Saturday morning, beautiful weather, beautiful horses and beautiful smiles on the rider's faces. The "look" was powerful.

Thank you and Fabick for helping us. Everyone loved the band, which would not have been possible without the very quiet generator. I've enclosed a t-shirt (the magic ink turns yellow in the sunlight). I hope when you wear it, you'll know that we are very appreciative of your support.

Each year The Council of Churches and its nine operating agencies help some 100,000 neighbors in nearly half of the state's counties. Trail Ride for Hope benefited two agencies: Families for Children and Therapeutic Riding of the Ozarks. Both of these programs help children in foster care and those with disabilities. While final dollar figures are not yet available, we have three individuals who raised \$1200 each, earning Billy Cook saddles. Preliminary figures indicate just under \$10,000, and many more dollars in volunteers and future support.

You help us help others. Thank you.

Warm regards,

Julie Guillebeau  
Chief Operating Officer
