Dear Mr. Fabick:

Once again, I would like to express the gratitude of the City of Fenton to the Fabick Tractor Company.

With the help of Mr. Wayne Hergenroeder, Mr. Chuck Justus and Mr. Sean Conway, we were able to secure ATV type utility carts for police and staff a lighting tower for overflow parking and a portable A/C unit for cooling our tent. With Fabick Tractor Company's donation of these items, we were able to present one of the safest ever Musical Sunset in the Park event.

The City of Fenton considers itself very fortunate to have such a civic-minded organization as Fabick Tractor Company. You have always provided assistance to the community.

Very truly yours,

CITY OF FENTON

Mayor
