John Fabick Tractor Co.
Attn: Tom Held
#1 Fabick Dr.
Fenton, MO 63026

Dear Friend of Millstone Bangert,

Thank you for your continued support. All contributions, money and/or gifts, for our annual golf outing are appreciated more than you know.

For those of you that did not attend, well you stayed dry, it was a rainout. We did however have a great time with our friends and a good meal.

Because of your efforts, we broke our record with a little over \$15,000 in donations. Millstone Bangert will match that amount for a total of over \$30,000, which will be distributed to the following organizations:

- The Wellness Community, which supports cancer patients and their families in dealing with their illness,
- Special Olympics Missouri, which gives special kids a chance to perform as athletes,
- Project Backpack, which supplies backpacks, school supplies, and personal items to kids who are taken out of abusive homes,
- The Michael William Seiffert Trust Fund, recently set up for the family of Michael who was killed in a car accident, and
- The Emily Reiman Benefit Fund, which was set up to help Emily with her struggle of recovering from a stroke at age 10.

Thanks again for all you do for Millstone Bangert. Without you, this organization would have long since gone the way of many of our golf shots. You will hear from us again next year when hopefully we can finish the round.

Humbly,

MILLSTONE BANGERT,
