Dear Adam,

The 2008 Bike MS: Express Scripts Gateway Getaway Ride was a smashing success and I thank you for your donation and involvement in the event.

This year, we rode with more than 2,800 participants! With the help of these cyclists and sponsors like you, we anticipate that we will meet our \$2.5 million dollar fundraising goal. Your donation allows more of that money to be spent to find a cure, so that one day this event is just a bike ride and the disease of multiple sclerosis is just a memory.

Through your donation you have gained valuable marketing exposure to more than 2,800 riders, 700 volunteers and countless other friends and family. I thank you for being a leader and an example for businesses to give back to the community for the greater good.

It is going to be a special year in 2009 as we celebrate the silver anniversary of the Bike MS Ride in St. Louis. We'll be in contact soon to talk about sponsorship for next year's event and we hope you'll continue your support. Another great way to build employee morale and get behind this cause is for your company to form a corporate team in conjunction with your donation. It only takes four or more members, so start recruiting today for the 2009 Bike MS Express Scripts Gateway Getaway Ride.

Again, on behalf of those living with MS, their families, cyclists, volunteers, and the entire Gateway Area MS Staff, thank you for your support of the 2008 Bike MS Express Scripts Gateway Getaway Ride.

In gratitude,
