

Dear Mr. Frabuck.

When our daughter, Songa Wertz, invited Dee and I to your Frabuck company picnic, little did we realize what a grand event it would be. Your picnic is by far the finest we have ever attended.

I only wish I was still a kid so I could have climbed the mountain - I suspect we are all kids at heart!

All the food was outstanding, although we both ate too much of everything. The funnel cakes were a big hit. We also enjoyed the Smash band.

The prize ceremony was very entertaining - what a sparkling job Chuck did as the M.C., he missed his calling.

THANKS

Dee and I are gratified that our daughter works for a company that cares for their employees.

Thanks again and we remain
Sincerely
Dee
